

TRIBU BULUSANON INCORPORATED
SEC. REG. No. CN201433216
<http://tribubulusan.orgfree.com>

MISSION

- To help save, protect and maintain the rich natural biodiversity of the Bulusan ecological zone, it's forest and ocean and the life that exist within it.

VISION

- To see and live in a beautiful environment rich in natural resources and to grow with the people who have great concern with their environment.

OBJECTIVES

- To educate the people on the proper utilization of natural resources as a tool for preserving the environment.
- To maintain these resources by facilitating civic action involving tree planting activities, clean and green drive, research and planning for alternative livelihood for the people.
- To act as a guardian of natural resources surrounding Bulusan.

Serve the people, save the environment...
